POLICY REPORTS

- [1] *Bonaire's Sustainable Urban Development Carrying Capacity Study* (with Paloma Zapata, Martine Bakker, Kareline Van Der Linden, Darice Solognier, and Albertus Rutten), World Bank, 2023.
- [2] *COVID-19 Post-Disaster Needs Assessment Bonaire: Socioeconomic Assessment* (with Mary Boyer, Asha Kambon, Ivelisse Justiniano, Rendell de Kort, Herry Koolman, and Florencia Millan-Placci), World Bank, 2021.

PROFESSIONAL EXPERIENCE

2019-2023	Disaster Risk Management Consultant, World Bank Researched and consolidated country-specific data and technical information to prepare disaster diagnostic reports for overseas countries and territories in the Caribbean aimed to assess the financial resilience to disasters. Coordinated a Post Disaster Needs Assessment in Bonaire, evaluating the socio-economic impact of COVID-19.
2016-2020	Impact Evaluation Consultant, DIME, World Bank Principal investigator and project coordinator for a project on community-based monitoring in the Angolan education sector, Angola's first randomized impact evaluation study. Secured the project's continuation and coordinated the intervention and final data collection. Managed field coordinators, actively negotiated with the implementing government agency, and facilitated communications between World Bank teams, academics, and local stakeholders.

- 2015 Research Assistant, **NOVAFRICA**
 Coordinated a research project in Mozambique about the diffusion of information and gift sharing within networks through a mobile phone platform. Set up an IT system through which text messages were sent and received and trained a local team to perform the tasks independently.
- 2014 Project Coordinator, **NOVAFRICA**
 Coordinated the final data collection for a randomized policy evaluation on the introduction of mobile money in Mozambique. Managed several survey teams and maintained relations with local partners, guaranteeing timely completion of the project. In addition, I provided support with data preparation and analysis to ensure high data quality.

TEACHING EXPERIENCE

- 2019 Game Theory (TA, graduate), **Nova SBE**
 Behavioral Economics (TA, graduate), **Nova SBE**
- 2018 Linear Algebra (TA, undergraduate), **Nova SBE**

PAST VISITING POSITIONS
